## WHAEA CHERIE AND MRS TONI TRENT

This first 6 weeks has gone by so fast! Whaea Cherie finishes with us at the end of the week and we have really appreciated her professionalism and the effort she has put in to make sure the children are ready for the year ahead! Her experience and knowledge has been a great addition to the team and school. Whaea will be in for a couple of days next week to help transition over to Mrs Trent, which is awesome. We are excited to have Mrs Trent join the team and she is really looking forward to becoming part of the Flemington team.

## CHB COLLEGE TEACHER VISIT

As part of the Kāhui Ako (Community of Learning) work programme we had Mrs Kayla de Lange visit Mrs Cosgrove's class on Monday. Mrs de Lange is a math's teacher at the college and she is out seeing how a senior class (Yrs 6-7-8) in a primary school operates. There were some other teachers visiting some of the other senior primary school classes in CHB this week as well. She really appreciated having the opportunity to make this connection and seeing a senior class in action and is looking forward to building on the connection that has been made.

## WAKARARA CAMP COMMITTEE - A message from Clint Deckard on behalf of the Camp Committee

*For over 40 years Camp Wakarara has provided a valuable facility for students and others to experience the Ruahine Forest Park and its environs whilst enjoying an authentic 'old school' camping experience.*

*The success of the camp has largely been down to a small, dedicated team of volunteers who oversee the running of the camp.*

*The camp requires a number of new people to join our committee to ensure the survival of this unique facility. Our monthly meeting will be available via Zoom in order to allow those unable to attend a face to face meeting to take part.*

*If you value the place of Camp Wakarara in our community I would urge you to contact Clint Deckard (details above) to discuss how you might be able to help. [clint.deckard@frontiers.co.nz](mailto:clint.deckard@frontiers.co.nz) 021 2075004*

## SHEEP MANURE NEEDED

Our raised vege gardens are in need of some sustenance so we are on the hunt for some well-rotted sheep manure.

It is possibly that collection of the manure could be done by our Year 8's as volunteer hours for William Pike.

If you can help us with this please contact the office.

## PINECONES

The Wilder girls are selling pinecones to fundraise for camp. \$5 – 20kg sized sack or \$8 for a 25kg sized sack.
