Winter is definitely ‘Still Coming’ as the Game of Thrones’ characters would say – Mother nature has not given up on flexing her muscles. There was quite a good dusting of snow up on the Tourere range this morning from all accounts and sleet in Takapau. It is looking like a very cold day tomorrow for the CHB Cross Country so wrapping up well will be the order of the day. The most recent production practice was done with some costumes in play which definitely helps bring it to life for the kids. We’ll have a break over the next few days and get back into it next week ready for the last push through to the performance night, 6pm on Wednesday, 3rd September – see everyone there!

With winter sport winding down the Pōrangahau Sports Club Prizegiving for the some of our primary school Hockey and Netball teams and all the primary school rugby teams is happening this weekend – First congratulations for all of those kids for being involved in sport and also if you are fortunate enough to receive a prize for the season. No matter what sport kids play it is great to have them out and involved in sport but I often recount the story of my daughter who was never a sporty person at primary school and less so at secondary school but ended up competing at an elite sporting level for NZ – so you never know what might be around the corner for any child in these young years – it can change dramatically if they find their groove.

All of the teaching staff, including the learning assistants, had a fantastic day of learning and development with Kristin Mason last Thursday. She is a facilitator for structured Literacy under the Liz Kane umbrella. **Phil**
